Dear Sir:

Your letter of July 6th received. Would be willing to work for you here and handle all arrangements as to make reservation at the ball park (Offermann Stadium) for your club Newspaper publicity. Radio publicity. And distributing your game posters.

Your club in turn to pay the rental of the Offermann Stadium supply baseballs. Umpires and pay other incidentals like ticket seller and ushers. For the last two metion you pay accordingly to the attendance and number that the park puts to work. The above plan is for two league clubs. For the aboved service my charge would be fifty dollars.

If not interested in the aboved plan may I submit other terms for consideration where by I would offer two clubs of the national league 55 per cent of the gross receipts. In both instance the clubs to furnish game posters same as Cum Posey. Trusting that I will hear from <sup>you</sup> by return mail. I remain.

Very truly yours,
